Example-PDF

This is the first PDF page. There should be **two** references each to **places**, **people**, **keyterms** and **time expressions** in the following paragraph:

Lorem ipsum dolor sit amet, consectetur adipiscing elit. Fusce malesuada tempus nunc, quis congue ligula. Nunc Placeville vel justo orci. Proin porttitor, diam posuere dignissim dapibus, elit nulla facilisis dolor, a aliquam lorem eros vel erat. Sed accumsan id massa sit amet iaculis. Ut mauris nisl, venenatis ut orci sit amet, tempus ornare quam. Nullam varius volutpat sollicitudin. Fusce Person McPerson vulputate enim eu odio pellentesque, in luctus felis aliquet. Nam dapibus bibendum ex et aliquam. Curabitur Person III eu urna diam Period of The Time Before. Cras at keyterm-1 enim aliquet, maximus elit in keyterm-2, dignissim risus. Maecenas viverra porta sem et sollicitudin. Duis sed Placelandia lacus pulvinar, finibus nulla a, convallis nulla. Donec eget bibendum quam. In hac habitasse June 2006 platea dictumst. Nullam tincidunt posuere velit. Aliquam vitae felis nec quam ultricies gravida vitae vitae ligula.

The following annotations should render okay despite containing/overlapping each other.

* Person III, Queen of Placeville   (whole expression and „Placeville")
* Third keyterm-1 period of Placelandia   (whole expression and „keyterm-1" and „Placelandia")
* ABC DEF GHI   („ABC DEF" and „DEF GHI")

The following annotations should render okay, despite containing non-ASCII-chars

* Herðubreið
* Ljósufjöll
* Snæfellsjökull
* 北京市
* القُدس
* יְרוּשָׁלַיִם
* Αθήνα

An annotation should show on two lines, even when a word is hyphenated:

xxxxx xxx xxxxx xxxxx xxxxx xxxxx xxx Person McPerson.

xxxxx xxx xxxxx xxxxx xxxxx xxxxx xxx Person McPer-son.

It is however not possible for an annotation to belong to two pages:

xxxxx xxx xxxxx xxxxx xxxxx xxxxx xxx xxxxx xxx xxxxx xxxxx xxxxx xxxxx xxx xxxxx xxx xxxxx xxxxx xxxxx xxxxx xxx xxxxx xxx xxxxx xxxxx xxxxx xxxxx xxx Person

McPerson xxxxx xxx xxxxx xxxxx xxxxx xxxxx xxx xxxxx xxx xxxxx xxxxx xxxxx xxxxx xxx xxxxx

And repeat some expressions here to be sure that they also show on **Page 2**:

* Placelandia
* 北京市
* Ljósufjöll
* Person III, Queen of Placeville
* Period of the Time Before
* keyterm-1.

The following should **not** be annotated on the second page despite being annotated on the first:

* June 2006
* keyterm-2
* Placeville
